## Welcome Pack

20010/11

# **Welcome to Genesis Netball Club!**

## **About us**

Genesis Netball Club has been established since 1985. We have three teams, in Divisions 2, 6 and 8 of the Avon Netball League.

## **Training**

We train at Bristol Metropolitan College, every Tuesday evening from 7.00pm – 9.00pm. Please arrive at 6.50pm for a 7.00pm start. We have an ex-county coach called Paul, who trains us every other week. Then every four weeks we will have a circuit style training lead by a member of the club, and every other fourth week an experienced member of the club will take a session.

## **Matches**

Our matches are generally every other Saturday (see fixture lists for dates and times). All teams play at The Grange in Warmley – the first team play inside, and the second and thirds outside.

## **Fees**

As a new starter, we let you have the first two weeks free! The following four weeks are £3 per session. After this continuous six week period (whether you have attended all six training session or not), if you wish to stay with the club we will require you to set up a direct debit for £15 per month. (Please see bank details included in this pack).

All club members pay £15 all year around to spread out the cost. The only other cost is if you are selected to play a match – we each pay £2.50 to cover the costs of an umpire. Each player is required to score a match too (maybe 2 or 3 a season) – if you score you are not required to pay £2.50.

## **Commitment and enthusiasm**

Whilst we all play netball to improve our skills, keep fit, socialise and have a laugh with other girlies, we do all have a level of commitment – turning up to training regularly and being available to play most matches. We understand that not all training sessions and matches can be made, but in order for us to survive as a club and (hopefully) win matches, we need a certain level of commitment and enthusiasm from you.

## **Socialising**

We try to organise social events a couple of times a year, in addition to the Christmas party and our annual trip to Brean, for a tournament, in May or September. Carly Roberts will generally organise the nights out, so make sure we have an email address for you so you can be kept in the loop!!

2. Standing orders, payable to the club, should be £15 pcm (£10 pcm if under 18) and are payable throughout the year.

4. If a player becomes pregnant they can stop paying their subs. Once they start training again, their subs should start again.

### **Affiliation**

### **Scoring Commitments**
